

# UDOT 2012 ROAD CONSTRUCTION GUIDE

This guide includes a list of the 20 most significant UDOT projects. For the most up-to-date details regarding these and other UDOT projects in your area, visit [www.udot.utah.gov](http://www.udot.utah.gov). Please note the information is subject to change.

- 1 Washington Blvd. (U.S. 89), Ogden**  
**Where:** Washington Blvd. (U.S. 89), 26th St. to 40th St.  
**When:** April through September 2012  
**Impact:** Nighttime work including lane shifts and multiple lane closures  
**Result:** Rehabilitates the existing roadway, provides a smoother ride and extends road's life for up to five years
- 2 I-84, Mountain Green to Morgan**  
**Where:** I-84, Mountain Green (S.R. 167) to Morgan (S.R. 66)  
**When:** May through September 2012  
**Impact:** Traffic will be limited to one lane in each direction; wide truck loads over 13 feet will be restricted between U.S. 89 in Uintah and the I-80 junction at Echo; local wide loads will be permitted as far west on I-84 as Morgan with permission from the Ports of Entry  
**Result:** Improves traffic safety and traffic flow and provides a smoother ride
- 3 I-15, Clearfield to Riverdale**  
**Where:** I-15, 650 S. (S.R. 103) in Clearfield to I-84 in Riverdale  
**When:** Through September 2012  
**Impact:** Nighttime work in NB lanes through Roy and temporary ramp closures on the on-ramp at S.R. 103 and the off-ramp at S.R. 97; nighttime lane closures in both directions and moderate congestion throughout the construction zone  
**Result:** Adds a new auxiliary lane to improve acceleration of vehicles entering NB I-15 at 650 S. in Clearfield and deceleration of vehicles leaving I-15 at 5600 S. in Roy; improves pavement conditions and provides a smoother ride
- 4 I-15, Centerville to Bountiful**  
**Where:** I-15, Pages Ln. in Centerville to 2600 S. in Bountiful  
**When:** June through August 2012  
**Impact:** Nighttime lane closures and lane shifts  
**Result:** Rehabilitates the pavement, resulting in a smoother ride
- 5 Renovate I-80, Salt Lake City to Wyoming**  
**Where:** Multiple projects on or near I-80 from Salt Lake City to Wyoming, including Lambs to Summit Park, Silver Creek Junction and Wanship  
**When:** Spring through fall 2012  
**Impact:** Lane restrictions throughout the project  
**Result:** Replaces bridges, improves road surfaces, finalizes new climbing lane and extends the life of the interstate
- 6 5400 S., Kearns/Taylorsville**  
**Where:** 5400 S., Bangerter Hwy. to 4800 W. in Kearns and Bangerter Hwy. to Redwood Rd. in Taylorsville  
**When:** Spring through fall 2012  
**Impact:** Kearns — Lane restrictions with at least one lane open in each direction at all times; Taylorsville — lane closures during non-peak traffic hours  
**Result:** Kearns — widens 5400 S. with new lanes and redesigned intersections to reduce delays; installs new signalized crosswalk and new sidewalks to increase safety; Taylorsville — Utah's first Flex Lanes will be installed to accommodate heavy directional traffic
- 7 State St., Murray to Midvale**  
**Where:** State St., 6400 S. to 8000 S.  
**When:** Through fall 2012  
**Impact:** Lane shifts and detours  
**Result:** Adds a lane in each direction, new lighting and new drainage system
- 8 Bangerter 2.0, West Jordan and Riverton**  
**Where:** Bangerter Hwy, 7800 S. and 13400 S.  
**When:** Through fall 2012  
**Impact:** Lane closures in both areas  
**Result:** Adds a grade-separated interchange and new pedestrian bridge at 7800 S. and a new Continuous Flow Intersection at 13400 S.; improves roadway surface
- 9 I-15, Salt Lake Co.**  
**Where:** I-15, 10600 S. to 600 N.  
**When:** Summer 2012  
**Impact:** Nighttime work, lane restrictions, reduced speeds and ramp closures  
**Result:** Repairs concrete, improves driving surface and extends the life of the interstate
- 10 Mountain View Corridor, Salt Lake Co.**  
**Where:** Redwood Rd. at approx. 16000 S. to 5400 S. west of 5600 W.  
**When:** Through December 2012  
**Impact:** Temporary road closures, lane and turn restrictions on cross streets  
**Result:** Adds two lanes in each direction with signalized intersections; future construction will add interchanges and more lanes to achieve a fully functional freeway
- 11 U.S. 189, Wallsburg to Heber**  
**Where:** U.S. 189, Wallsburg to Heber  
**When:** Through December 2012  
**Impact:** Medium impact to traffic  
**Result:** New lane in each direction and new passing lanes
- 12 U.S. 40, Vernal**  
**Where:** Vernal Main St.  
**When:** May through October 2012  
**Impact:** Lane closures  
**Result:** New pavement along Vernal Main St. and intersections
- 13 State St., American Fork to Lehi**  
**Where:** State St., 500 E. in American Fork to Lehi  
**When:** May through September 2012  
**Impact:** Traffic will be reduced to two lanes at night  
**Result:** New pavement for a smoother ride and safer road surface
- 14 I-15 CORE, Utah Co.**  
**Where:** I-15, Lehi to Spanish Fork  
**When:** Through December 2012  
**Impact:** Interchange closures, lane restrictions and cross street closures  
**Result:** Expands I-15 by two lanes in each direction; rebuilds and reconfigures 10 interchanges; replaces or restores 63 bridges
- 15 University Pkwy., Orem**  
**Where:** University Pkwy., Orem  
**When:** Through October 2012  
**Impact:** Lane restrictions  
**Result:** New signal on east side of University Mall and an additional lane in each direction
- 16 U.S. 6, Spanish Fork Canyon**  
**Where:** U.S. 6, Tucker to Soldier Summit  
**When:** May through October 2012  
**Impact:** Single lane closures with delays up to 15 minutes  
**Result:** Provides a smoother ride and preserves pavement
- 17 U.S. 191, North of Moab**  
**Where:** U.S. 191, north of the Colorado River Bridge  
**When:** Through summer 2012  
**Impact:** Single lane closures  
**Result:** Adds a new lane north of the Colorado River Bridge; ties in the local bike trail and improves pavement
- 18 I-15, Iron Co.**  
**Where:** I-15, Summit to Paragonah  
**When:** May through October 2012  
**Impact:** Single lane closures  
**Result:** Provides a smoother ride and preserves pavement
- 19 Restore S.R. 14, West of Cedar Breaks**  
**Where:** S.R. 14, Cedar City to Cedar Breaks National Monument  
**When:** Through June 2012  
**Impact:** Full road closure west of Cedar Breaks  
**Result:** New road segments through landslide areas
- 20 I-15, Washington Co.**  
**Where:** I-15, Washington Co., north of the Toquerville interchange  
**When:** May through November 2012  
**Impact:** Single lane closures on weeknights  
**Result:** Adds an additional three miles of climbing lanes
